ABOUT US

At LawMate UK, we supply an innovative range of covert cameras, portable digital video recorders and counter surveillance technology.

As the exclusive UK distributor for LawMate International, world leaders in pioneering surveillance systems, we have an extensive range of product options to suit you. Concepts are ever-evolving and ideas are developed and launched periodically to prevent the market from becoming familiar and recognisable.

Our audio and video surveillance technologies provide superior quality and highly reliable discreet footage. Among them we have our 'everyday' objects, such as our coffee cup camera, covert body-worn cameras and key-fob video recorders, plus many more. All our products have a one year's warranty.

Established in 1997, with over 20 years' expertise, we are trusted to supply a variety of industries – from the military, police forces across the UK and overseas, the ABI (Association of British Investigators), private investigators, mystery shopping companies, event security and television broadcasting to name but a few.

We pride ourselves on excellent customer service. Our UK-based team offer free expert product guidance, from assisting you to select the correct product for your specific need, to user advice and technical support.

PORTABLE DIGITAL VIDEO RECORDERS

**LawMate
PV-500 ECO2
DVR**

£299.95
Ex Vat: **£249.96**
SKU PV500ECO2

The LawMate PV-500 ECO2 is a first-level law enforcement grade pocket digital video recorder. The recorder has the ability to record continuously or can be set to motion activation. Suitable for use in body-worn covert video applications, or stationary covert video operations.

FEATURES

- 3" touch-screen interface for manual control
- Analogue camera input
- 12 Volt & 5 Volt camera support
- Password protection
- Supports up to 32GB Micro SDHC card
- Continuous or motion detection recording options

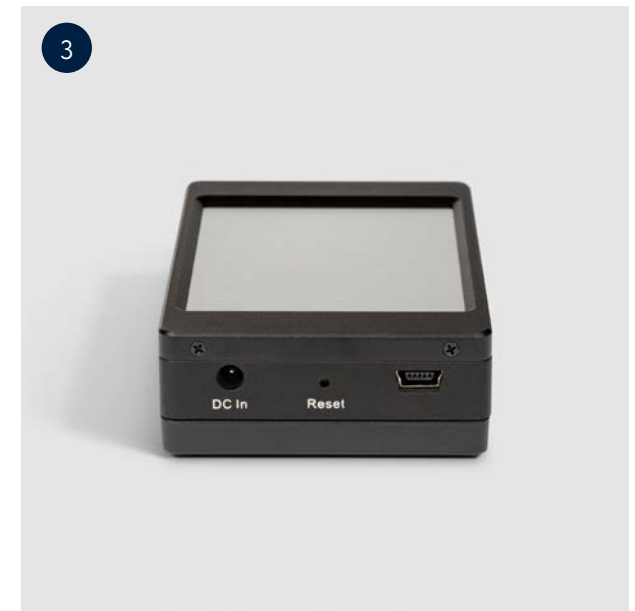

**LawMate
PV-500 L4i
DVR**

£339.95
Ex Vat: **£283.29**
SKU PV500L4i

Part of the range of Wi-Fi and IP enabled devices from LawMate, the Wi-Fi connection allows the recorder to connect to Android and iOS phones and tablets to provide remote full system control and live monitoring.

FEATURES

- IP enabled DVR
- Wi-Fi app for live streaming & settings
- Analogue camera input
- Supports all LawMate analogue cameras
- Standard or motion detection recording
- Compatible with PI-RF50 Remote Control
- Small & lightweight with D1 video quality

**LawMate
PV-500 Neo Pro
DVR**

£349.96
Ex Vat: **£291.63**
SKU PV500NP

The Wi-Fi connection of the PV-500 Neo Pro recorder allows the unit to connect to Android and iOS phones and tablets, to provide remote full system control and live monitoring. The recorder is also fitted with a 3 inch touch-screen allowing the user to either control the unit manually, or via the LawMate Wi-Fi app.

FEATURES

- Wi-Fi enabled DVR for P2P connection (Android & iOS)
- 8-pin Din locking digital camera connector (LawMate Neo cameras only)
- Records at 1080p/720p/WVGA resolutions
- Continuous or motion detection recording options
- 3" touch-screen interface for manual control

DIGITAL BODY-WORN CAMERA LENS

LawMate BU-18HD Neo Camera Lens

£154.96
Ex Vat: **£129.13**

SKU CMBU18HDN

The LawMate BU-18HD Neo Camera is specifically designed for the LawMate PV-500 Neo Pro Wi-Fi Recorder. It is a 1080p digital camera providing exceptional full HD image quality with superb low-light sensitivity. Combined with a new ultra-thin cable design, integrated microphone and military grade lockable DIN socket, this camera option is perfect for covert filming. This camera kit is supplied with five interchangeable lens surrounds, three button types and two screw types.

FEATURES

- Button & screw covert design
- 1080p HD video quality
- Low light sensitivity 0.1 Lux @ F2.0
- Field of view 78.2°
- Compatible with all LawMate Neo recorders

LawMate BU-20 Camera Lens

£134.95
Ex Vat: **£112.46**

LMBU20

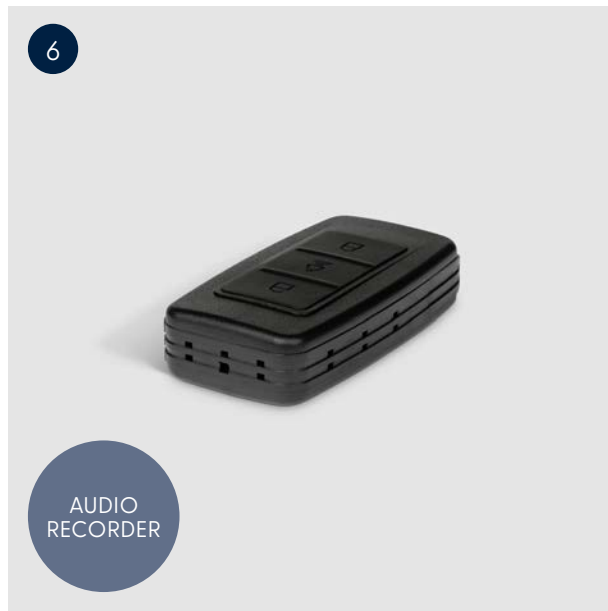

The LawMate BU-20 is the upgrade to the existing BU-19 button camera, offering ultra-low light sensitivity with minimum illumination of 0.015 lux. The BU-20 analogue button camera is fitted with a 520 TV line CMOS sensor and can switch between NTSC or PAL capture. With a camera head measuring just 24.8x24.8x17mm, this is a perfect camera to conceal for body-worn applications. The camera will work with all existing LawMate recorders with an analogue camera input socket without the need for an additional power supply. This camera kit is supplied with three button-type lens surrounds, 10mm, 15mm and 20mm.

FEATURES

- 520 TV Line resolution
- 1/4" CMOS sensor (4:3 ratio)
- Exceptional Low light sensitivity, 0.015 lux @ F1.2
- Field of view 66°
- Dimensions: 24.8mmx24.8mmx17mm
- Weight only 22g
- AGC microphone
- Analogue connector, supports portable DVR

PORTABLE SURVEILLANCE DEVICES

**LawMate
PV-AR100**
Key-Fob

£84.95
Ex Vat: **£70.79**

SKU 668

Disguised as a standard car key-fob., the LawMate PV-AR100 audio recorder is a device with just a one-button recording and a one-button stop.

FEATURES

- Voice activated audio recording (VOX)
- Built-in AGC microphone
- MP3 file format, excellent audio quality
- 3 button simple operation (1) On/Off (2) Record/Stop (3) Play/Pause
- Covert key-fob design
- 13 hours recording time, built-in 550mA battery
- Built-in 2GB Flash memory
- LED indicator on record, stop/on, off/charge
- Vibration alert on record, stop/on, off/play, pause

**LawMate
PV-AR300**
Car Key

£134.95
Ex Vat: **£112.46**

SKU PVAR300

The LawMate PV-AR300 audio recorder, cleverly disguised as a standard car key, has a simple one-button record function making its operation straight forward and simple. The fob and the key element are detachable, so the fob alone can be hidden and used independently.

FEATURES

- Key design audio recorder
- Discreet design & simple operation
- MP3 file format, excellent audio quality
- Built-in 4GB memory
- Built-in AGC microphone
- Up to 7 hours of continuous recording

**LawMate

LawMate PV-RC400UW Key-Fob

£249.95

Ex Vat: **£208.29**

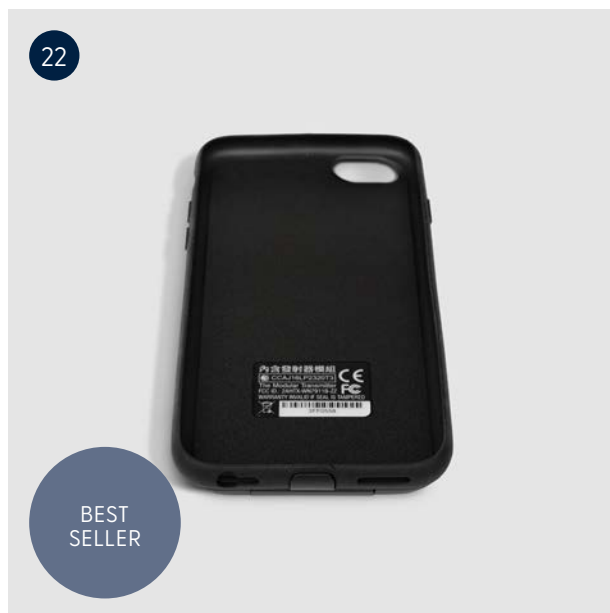

SKU PVRC400UW

The LawMate PV-RC400UW our 6th generation key-fob now offering 4K ultra high definition capture. At the touch of a button, the remote DVR will start up and be ready to record video or take still photos in just 2 - 3 seconds. Also with the added benefit of P2P Wi-Fi connectivity, you can connect your camera to your smart phone for full user control and live view. Unlike many other devices we have seen, the PV-RC400UW records at up to 3840x2160 4K UHD resolution (at 25/30fps) providing ultra clear and smooth video as well as excellent sound quality. Using the Wi-Fi app, you can also select 1080p or 720p resolutions at up to 120fps. For ultra-fast transfer, the PV-RC400UW also uses a USB type-C connection and can use SD cards up to a capacity of 256gb.

FEATURES

- 4K UHD video quality (3840x2160 resolution)
- Video & Photo capable (5mp photos)
- Photos: Jpeg format 2592x1944.jpg
- Watermarked day/date/time stamping
- Law Enforcement grade video & audio capture
- Continuous recording for up to 110 minutes (Wi-Fi off)
75 minutes (Wi-Fi on)
- Supports up to a 256gb Micro SD card
- USB type-C connection
- H.264 .MOV file format
- Dimensions: 71x35x18mm

LawMate PV-IP7W Phone Shell

£259.96
Ex Vat: **£216.63**
SKU PVIP7W

The IP7W recorder appears to be an external phone shell for your iPhone 6 or iPhone 7. It is actually a Wi-Fi enabled complete recording system. Unlike all other covert phone recorders, whilst recording, you could pass this to anyone and all they would see is a working mobile phone, avoiding any suspicion.

FEATURES

- Phone Shell DVR for iPhone 6 & 7 models
- Wi-Fi enabled for P2P connection & operation
- 1080p/720p/WVGA recording resolutions
- Continuous or motion detection recording modes
- Up to 3 hours continuous recording

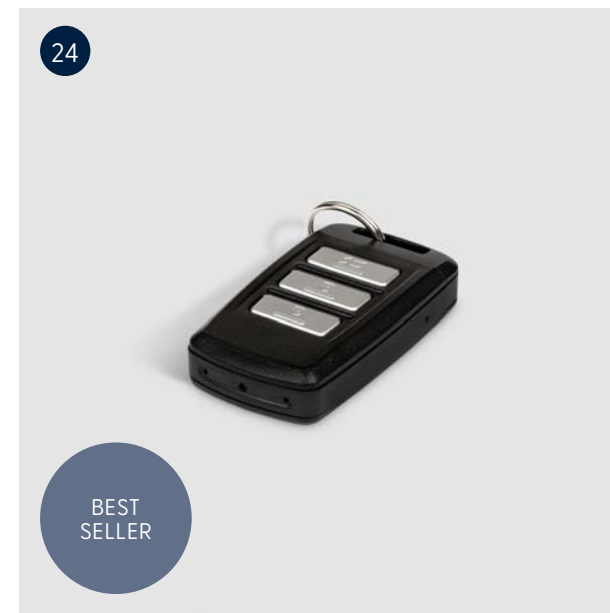

LawMate PV-PB20i Power Bank

£289.96
Ex Vat: **£241.63**
SKU LMPVPB20i

The PV-PB20i recorder appears to be a generic external USB power bank - it is actually a Wi-Fi & IP enabled complete video recording system. The Wi-Fi connection permits full user control via your smart phone or tablet and the IP connection will allow you to view, record, stream and download content from anywhere in the world.

FEATURES

- USB Power bank design DVR
- 1080p HD video quality
- Low light video sensor 0.03 lux @ F2.0
- Built-in Wi-Fi for smart device connection
- Stream live video & audio anywhere
- 6800mAh battery, up to 8 hours continuous recording

LawMate PV-RC200HDW Key-Fob

£214.96
Ex Vat: **£179.13**
SKU LMRC200HDW

The LawMate PV-RC200HDW is a 1080p high definition key-fob, new 5 mega-pixel HD sensor, with a built-in Wi-Fi camera system. At the touch of a button, the remote DVR will start up and be ready to record video or take stills photos in just 2 - 3 seconds.

FEATURES

- Key fob design 1080p HD recording device
- Compact 5 mega pixel pin-hole camera
- 1920x1080 high definition video @ 30fps, .mov format (H.264)
- Video & photo capability
- Wi-Fi connection to smart device (iOS & Android)
- Wi-Fi live view & control
- Continuous recording for 65 minutes

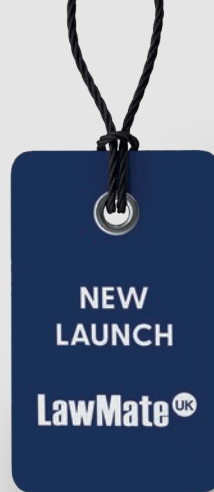

LawMate PV-WT20W Smart Watch

£279.95
Ex Vat: **£233.29**
SKU PVWT20W

New for 2022, a 1080p HD Wi-Fi enabled recording system cleverly disguised as a smart watch with built-in 32gb memory. The innovative and stylish design conceals a covert video recording system producing law enforcement grade video and audio which is also watermarked with the time and date. The PV-WT20W is very straight-forward to set-up and operate, activated with a single button operation.

FEATURES

- Covert smart-watch design
- Wi-Fi enabled DVR for P2P connection (Android & iOS)
- Single button operation
- 1080p HD video image quality
- Functional watch with time & date
- Up to 1.5 hours continuous recording

25

LawMate PV-900EVO3 Smart Phone

£424.96
Ex Vat: **£354.13**

SKU PV900EVO3

The PV-900EVO3 recorder looks like all modern smartphones whilst providing 1080p high definition capture with built-in 64gb memory. You can choose whether to use the PV900EVO3 as a hand-held recording system or you can activate the motion-detection mode and leave the camera as a self-contained surveillance system.

FEATURES

- Latest smartphone 1080p integrated DVR
- Stylish, slim & modern design
- Wi-Fi enabled for P2P connection (Android or iOS)
- 64gb internal memory
- Up to 230 minutes of continuous recording

SKU lmcharg

Genuine LawMate UK 3-pin 5 volt adaptor, suitable for all LawMate PV-series recorders and DVR's.

All our products have a one year's warranty.

We pride ourselves on excellent customer service. Our UK-based team offer free expert product guidance, from assisting you to select the correct product for your specific need, to user advice and technical support. Any issues with products are dealt with promptly – typically, repairs are completed the same day they are received into us. Occasionally products that need new parts, or need to be sent back to the manufacturer for further investigation, have a longer lead time. We always communicate progress keeping you updated.
